# Journal of Constructional Steel Research

## Corrigendum

It has been brought to the attention of the Editors that the order of the authors should be revised in the recently published paper entitled 'A simplified method to determine shear stiffness of thin walled cold

formed steel storage rack frames', Volume 138, November 2017, Pages 799–805. The order of the authors has been revised to Harry Far, Ahmad Firouzianhaji, Ali Saleh.
