Acknowledgements

I would like to thank my supervisor (late) Professor Alan Knight and other supervisors who evolved in directing me in this thesis such as Professor Saba Bebawi, Professor Andrew Jakubowicz and Dr Kyungja Jung. I am also grateful to Dr Penny O'Donnell for first inspiring me to take on doctoral level research.

I wish to extend my great appreciation to Professor Alan McKee and Professor Sandra Schuck who encouraged and provided essential support to me in accomplishing this project. My sincere thanks are due to Dr Peter Manning for his kind and constructive criticism and much helpful advice on my thesis. I would like to thank Dr Alex Munt, with administration advice and support. I'd like to sincerely express my appreciation for the assistance of Dr Terry Fitzgerald. I couldn't have finished this project without the great editing support from Terry. I am also grateful to Dr Katherine Hamilton who was a precious mentor during my study.

I record my sincere thanks to my UTS friend, PhD candidate John Robert, for his boundless encouragement and sharing of challenges and achievements during this journey. I am also thankful to other members of Alan Knight's research team for useful conversations such as journalist Greg Wilesmith and journalist Karl Wilson. A special thanks to writer Hayley Juriansz for proofreading the initial copy of my thesis.

I would like to thank the SBS Vietnamese team and other SBS colleagues for their support and help me maintaining motivation with the project. I thank Bankstown Library for creating a pleasure study space so that I could write up this thesis.

Finally, I would like to thank my husband Sinh Chuong Nguyen, for supporting me during the writing of this thesis, and members of my extended family for everything else.
